Host a Coach with Brazilian United: Let's Have a Blast TOGETHER!

Get Ready for Cultural Awesomeness:

Bring Brazilian vibes to your family with the BUC Program - it's all about fun cultural swaps!

WHAT TO EXPECT?

Perks for Host Families:

Free scholarships, cool gifts, and loads of cultural treasures! Plus, making friends and having the time of your life!

Easy-Breezy Structure Stuff:

Just a bed, a shower, and optional meals. Coaches blend into your fam's groove—no need to change anything major.

No Need for a Chauffeur:

Coaches come with their own wheels—no need to worry about carpooling!

Chill with Coaches:

They're with you from the get-go on Sunday 'til camp ends. They will probably leave on the following Sunday. Easy-peasy!

Coach's Daily Scoop:

During the Summer, coaches will arrive Sunday at 6:00 pm. Field action goes from Monday to Friday from 8:00 am to 4:00/4:30 pm. Weather might throw some curveballs, but we roll with it.

Coach's Deets:

Get the lowdown on your coach a week before the program. Background checks? Absolutely!

English Chat Time:

Coaches speak English, but some are on the language learning ride. It's a win-win for language exchange!

Keep it Casual:

No need to go all out. Coaches are camp busy, but hey, if you're up for some family fun, go for it!

Get Set for Epic Memories:

Join the Brazilian United fam for laughs, cultural swaps, and friendships that'll last a lifetime! Don't pass up the chance to host a coach - it's gonna be a blast!
