Department of Transportation

Columbia Pike Complete Streets — Phase 1

Notice of Willingness

The Fairfax County Department of Transportation (FCDOT) is planning for improvements to Columbia Pike from Backlick Road to Tom Davis Drive. FCDOT will incorporate a “Complete Streets” approach to planning, designing, building, operating, and maintaining streets that enables safe access for all people who need to use them, including pedestrians, bicyclists, motorists and transit riders of all ages and abilities.

The project will construct a new sidewalk, planting strip and complete street elements (funding dependent) along the south side of Columbia Pike from Backlick Road to Tom Davis Drive. A new high visibility pedestrian crossing of Columbia Pike at Tom Davis Drive is also proposed for installation.

Funding for the project includes local taxes, cash proffers and federal grants.

For more information on this project, visit: <https://www.fairfaxcounty.gov/transportation/projects/columbia-pike-phase1>. Project plans are available for review at the Fairfax County Department of Transportation, 4050 Legato Road, Suite 400, Fairfax, Virginia. Please call 703-585-1969 for an appointment.

Pursuant with the National Environmental Policy Act (NEPA) and 23 CFR 771, an environmental document in the form of a Programmatic Categorical Exclusion (PCE) was prepared under an agreement between the Federal Highway Administration and the Virginia Department of Transportation. In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed improvements on properties listed in or eligible for listing in the National Register of Historic Places will be available with the PCE. The PCE can be viewed on the project website.
